Romantic Date Quote:

"I would just try to be who I am and not put on any fancy clothes to impress the girl. I mean obviously I am very happy if a girl dresses up for me but I also don't want her to pretend to be someone she's not. To create a romantic mood, I would take her out to a beautiful restaurant. Well, now that I think about it, I would probably prepare a meal myself - that's more intimate. It might taste better in a restaurant but my pasta is definitely also worth a try!"

After Nick and Marie's romantic dinner on the beach Marie realized she was falling madly in love with Nick and at the same time Nick was there to catch her.

The next day Nick called Marie. Marie answered in a very low voice like she was about to cry.

Nick- Hey

Marie- (low voice)- Hi

Nick- Hey whats wrong?

Marie- (Lying)- Nothing....Im just..umm.. tired yeah thats it!

Nick- Oh You want to meet today?

Marie- Not Today another day?

Nick- Ok

\*Two Days Later\*

Nick walked over to Marie's house ready to question her. He walked up to her house and she came out like she was expecting him.

Nick- Hey

Marie- Hi Nick!

Nick and Marie began to walk. They walked through a park.

Nick- So umm Why were you busy the other day?

Marie- Can we please talk about it another day?

Nick- Sure.

Nick knew Marie was hiding a secret and he was determined to figure it out. The two sat on a bench in the middle of the park.

Nick- When I look into your eyes I can see there is something wrong. Tell me.

Marie- (Frustrated) Nick Please Another Day.

Nick-Ok. I also see something else when I look into your eyes.\

Marie- and what is that?

Nick- When I look into your eyes I see a glimpse of heaven.

Marie- Your so romantic ( Flashes A smile)

Nick- I love you

Marie- You always say that

Nick- I say it because your the best thing that has ever happened to me and I dont want to loose you.

Marie- (giggles) I love you too.

Marie hugged Nick. Marie never wanted to let go but she did. But it didnt stop there her hug became a romantic kiss she would remember for the rest of her life.

Marie was falling madly in love with Nick but it was beyond her control. Nick and Marie soon left the park. Nick offered to hold Marie's hand and she agreed. They held hand all the way to her house. Until they got there and when they arrived Nick and Marie kissed each-other goodnight and Nick began to walk home. On the way home Nick began to wonder what was wrong with Marie. He could sense something was wrong and there was. Marie knew Nick was wondering at the same time she tried to hold the secret but she knew she would have to tell him the next day she saw him. Marie looked out of her window into the moonlight. She then looked at her and began to miss Nick very deeply because she knew her secret could tear then apart and she knew that the spaces between her fingers where were Nick's fit perfectly. She began to cry herself to sleep.
